In Nft-Games, we understand that controlling inflation is essential. Therefore, we provide effective burning mechanisms in-game to ensure the play-to-earn objective remains. The mechanisms include but are not limited to:

- Tickets Purchasing for Cycling Contest
- Sponsor, Support for Cycling Contest
- Do Charity Work
- Burn Token

MVP APP VERSION

COMING SOON...

HOW TO EARN ?

- Download the app on the Apple App Store or Google Play Store.
- The app measures your move distance. The rewards rate depends on NFT, distance, and weather conditions.
- Once you received your tokens reward, you can hold them or trade them on Dex/Cex exchanges. You may also donate your tokens to an environmental charity or a cause.
